Candidates

For Representative, from Eddy County, R. F. Love, Lovington, (re-election).
Dr. M. P. Skeen, Artesia.
Robt. G. Dox Carlsbad.

Representative Love and Representative Skeen sounds good to us, and both gentlemen can gamble on Hope doing what is right in the coming election on Aug. 8th.

Politics in Eddy County have begun to stir and in a very short time the pot will begin to boil.

Four men with high aspirations have announced for the office of Representative, with two to be elected. They are, R. F. Love, of Lovington, Robert C. Dow, and Guy A. Reed, of Carlsbad, and Dr. Skeen of Artesia.

R. F. Love is one of the present representatives and no doubt will be re-elected. Robert Dow and Guy Reed are both young lawyers of Carlsbad who come out on platforms somewhat similar, and promise to do something for the tax payers of the county, but without personal experience of legislative workings.

Dr. Skeen of Artesia comes out with the full democratic platform and a man of considerable experience with the law making element, thoroughly competent and reliable to hold and fill the trust given him, providing he is elected, of representing the people of Eddy County.

Guy Reed, who is a candidate for the Democratic nomination for representative from Eddy County, was in Artesia last Friday making himself solid with the voters. Guy hasn't done any campaigning before, but he has read considerable on how it should be done. He slapped the horny-handed son of toil on the back, agreed that Artesia looked better than ever before, looked into the bottom of one hundred and fifty soft drink glasses, and as final grandstand play, endeavored to kiss a baby in front of the First National Bank. The youngster let out an awful howl and its mother tried to get its father to whip Guy, but the democratic central committee met and stopped him. We are afraid Guy is hand-capped in this race.

Pecos Valley News.

T. M. McHorse, of the Hope Press was in town last week, and said that Hugh Gage would not be a candidate for the legislature. Dow is strong in Hope, says Mr. McHorse, having formerly lived there. Hope also favors Dr. Skeen.—P. V. News.

W. B. Matkins Out

There was another political meeting at Eunice last Saturday. W. B. Matkins was nominated for the legislature. The platform, we are informed, on which he is running is the proposition of cutting a new county from the north line of Eddy to the south line of Eddy. Mr. Matkins is a prominent citizen, and well qualified for the support of those who are in the field.

However, that no one is to be seen by the legislature, these spokesmen are bringing down the line.

Oil By Auto
J. W. Caudill and son, who haul most of the oil to Lovington, made a trip to Midland last week, and while there placed an order for a tank, and an auto, truck, with which they will transport oil to the Plains. It is thought the freight will be some lower, and yet the Caudill's make reasonable wages hauling. Then, too, there will not be so much danger of a shortage of supply, as small supplies can be transported quickly.

Presbyterian Meeting

The Presbyterians of Lovington will open their meeting, which has been booked for some time, on Sunday night, next. Rev. A. A. Davis of Carlsbad will do the principal part of the preaching. Good singing and good preaching is the word, and a strong effort will be made for a good revival.

Felton-Stagner

Will Felton and wife passed through Lovington last Sunday on their return from their Gretna Green. Will is a well known citizen of Gains County, Texas, and went over to Avis, N. M. to get his pretty bride. He found the laws somewhat different from those of Texas: passed through Carlsbad expecting to procure license, but found it necessary to go up and get his girl and pull back to Carlsbad before the knot was tied.

Up to Sep. 1, 1914, you may obtain the Lovington Leader three years for \$2.00, or send it to three friends for \$2.00, or pay up three years back dues for \$2.00. In other words you may buy three years' time for \$2.00, and have credited to suit yourself. After Sep. 1, this paper will be \$1.50 per year within the state, and \$1.75 without.
